Dear Mr. Ragozzine:

URS Corporation has been authorized by Verizon Wireless to conduct a field inspection of the above mentioned site to determine that the site has been built to substantial compliance with the approved documents.

This letter is to confirm that the proposed Verizon Wireless antenna installation as outlined in the structural analysis report entitled "Detailed Structural Analysis and Evaluation of a 170' Self Supporting Lattice Tower for New Antenna Arrangement" Revision #2, dated October 03, 2007, URS project number 36931086.00000/VZ4-010; was installed in accordance with the requirements of the aforementioned analysis.

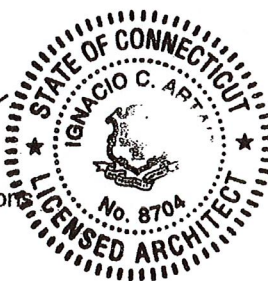

Verification of the Verizon Wireless installation was limited to visual inspection and documentation conducted from grade and was executed on August 13, 2008 by URS Corporation personnel.

If you should have any questions, please call me at (860) 529-8882.

Sincerely,

**URS Corporation AES**
