RE: **TS-DISH-033-210805** - DISH Wireless LLC request for an order to approve tower sharing at an existing telecommunications facility located at 160 West Street, Cromwell, Connecticut.

Dear Mr. Shepherd:

The Connecticut Siting Council (Council) hereby denies your request to share the above-referenced existing telecommunications facility, pursuant to Section 16-50j-90 of the Regulations of Connecticut State Agencies.

This tower share request was submitted to the Council on August 5, 2021. Council staff reviewed this request for completeness and had identified a deficiency that was more fully described in a notice of incompleteness letter/e-mail to the requesting entity dated September 21, 2021, and recommended that SBA Communications provide an updated RF report that accounts for the latest RF values for Verizon and T-Mobile, on or before October 22, 2021. To date the Council has not received the requested information.

Thus, the proposed tower share request is not in compliance with the criteria in Section 16-50j-89 of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie Bachman".
