Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letters dated May 6, 2015, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection reports for the above-referenced exempt modifications.

The Council hereby grants a one year extension of time to submit a notice of completion of construction and associated post modification inspection reports for the above-referenced exempt modifications.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and associated post modification inspection reports or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Re: **EM-VER-033-140512 – Cellco Partnership d/b/a Verizon Wireless
160 West Street, Cromwell, Connecticut**

Dear Ms. Bachman:

On May 29, 2014, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 160 West Street in Cromwell, Connecticut. Due to delays in its antenna modification program and shifting budget priorities, Cellco has not been able to complete the approved antenna modifications at this site. The work is currently scheduled for completion in 2016. We will not, therefore, be able to provide the Council with the required "construction complete" notice by the May 28, 2015 deadline, and request an extension of one (1) year to comply with this requirement.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
