RE: **EM-T-MOBILE-034-180709** – T-Mobile notice of intent to modify an existing telecommunications facility located at 24 Hospital Avenue, Danbury, Connecticut.

Dear Mr. Paul:

The Connecticut Siting Council (Council) is in receipt of your letter dated January 27, 2020, submitted on behalf of T-Mobile requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report for the above-referenced exempt modification.

The Council hereby grants an extension of time until July 30, 2020, to submit a notice of completion of construction and associated post modification inspection report for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should T-Mobile need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Request for Extension of Approval

Dear Attorney Bachman,

The T-Mobile site located on 24 Hospital Avenue in Danbury, Connecticut was unable to meet the Connecticut Siting Council closeout requirements to comply by 1/30/2020, due to funding constraints. This is an Exempt Modification on the Danbury Hospital rooftop and we plan to begin construction in March if we are granted the extension. Therefore, we are formally requesting an extension for this EM approval.
