Re: **EM-VER-034-210809 – Cellco Partnership d/b/a Verizon Wireless Telecommunications Facility, 24 Hospital Avenue, Danbury, Connecticut**

Completion of Construction – Danbury

Dear Attorney Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced facility modification has been completed.

As required by the Council's approval, attached is a letter from Dewberry Engineers Inc. dated February 19, 2025, verifying that the facility modifications were completed in accordance with the April 12, 2021, Mount Analysis Report prepared by Maser Consulting. Photographs of the completed improvements are also attached.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

Mr. Arlindo Neto
Verizon Wireless
905 Turnpike St.
Suite A2
Canton, MA 02021

Verizon Site Name: Danbury CT
Site No.: 468092
Site Address: 24 Hospital Avenue
Danbury, CT 06810

CSC Reference #: EM-VER-034-210809

To Whom It May Concern:

Dewberry Engineers Inc. (Dewberry) is providing a letter of compliance for the above referenced project. All inspections were limited to aspects of installation visual from ground level following construction activities & contractor provided photos. The following are the basis for substantiating compliance with the modification:

- December 6, 2024– Field Report #1 (By Dewberry)
- April 12, 2021 – Mount Analysis (By Maser Consulting)
- July 20, 2021 –Rev-3 Construction Drawings (By Dewberry)
- July 20, 2021 – Structural Assessment (By Dewberry)
- December 23, 2024 – Antenna Mount Post-Modification Inspection Report (By Colliers Engineering & Design)

Based on visual observations, it appears that the project is constructed in general conformance with the applicable plans and specifications. If you have any questions, please do not hesitate to contact Dewberry Engineers Inc.

Sincerely,
Dewberry Engineers Inc.
