Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated July 18, 2016, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until August 18, 2017, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Re: **EM-VER-034-150730 – Celco Partnership d/b/a Verizon Wireless
Old Boston Post Road, Danbury, Connecticut**

Dear Ms. Bachman:

On August 18, 2015, the Siting Council acknowledged receipt of Celco's notice of intent to modify its telecommunications facility off Old Boston Post Road in Danbury, Connecticut. Due to delays in its antenna modification program and shifting budget priorities, Celco has not yet completed the approved antenna modifications at this site. We are, therefore, requesting an extension of one (1) year to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,
