RE: EM-CING-034-210219 - New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 52 Stadley Rough Road, Danbury, Connecticut.

Dear Attorney Patrick:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on February 19, 2021.

Please be advised that the Council approved AT&T's request for shared use of the facility, including, but not limited to, the installation of a natural gas emergency backup generator, on March 7, 2014. AT&T's request may be accessed at the following link: https://portal.ct.gov/-/media/CSC/2_EMS-medialibrary/Danbury/StadleyRoughRoad/ATT_CING/tscing034140220filingStadleyRoughRdpdf.pdf

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified that the request is not in compliance with the Connecticut Superior Court's Stipulation for Judgment (Stipulation) dated January 6, 2010 specific to this facility (see attached). The Stipulation requires all modifications to this facility to comply with the following conditions:

1. In the event a future co-locating tenant seeks to modify the facility by adding additional backup power, such parties shall use a fuel cell to the extent such technology is readily available for use and meets the backup power requirements for the site. If a fuel cell is not used, a future co-locating tenant shall provide written notice to the City of Danbury and to Jose and Christina Carvalheiro (Carvalheiros) explaining the reasons why such technology is not then readily available for such intended use;
2. Any permanent diesel, propane or natural gas power backup generators will be considered as a secondary option and if used must be baffled, and cycling times shall be scheduled between the hours of 9am to 5pm weekdays;
3. All equipment is to be installed, in an equipment shelter with a pitched roof and cedar siding; and
4. Notice of any modifications is required to be provided to the City of Danbury and the Carvalheiros.

The inconsistencies identified in the exempt modification request include but are not limited to the following:

- Written notice to the City of Danbury and to the Carvalheiros explaining the reasons why fuel cell technology is not readily available for such intended use is not evident per Condition No. 1 above;
- Clarification on whether the proposed diesel power backup generator would be baffled and cycling time scheduled between 9 AM and 5 PM is not evident per Condition No. 2 above;
- The proposed generator on a concrete pad as shown on Construction Drawing Sheet No. A-1 is inconsistent with Condition No. 3 above; and
- There is no indication that notice was provided to the Carvalheiros in compliance with Condition No. 4 above.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that AT&T provide a revised request that is in compliance with the conditions of the Stipulation referenced above, on or before April 16, 2021. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to April 16, 2021. **Please provide an electronic version of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

s/Melanie A. Bachman

STIPULATION FOR JUDGMENT

IT IS STIPULATED, by and between the undersigned Parties that:

The Parties consent and stipulate that a Judgment in the form set forth below shall be entered by the Court at any time following the date of filing of this Stipulation, without further notice to any party or other proceeding. Said Judgment shall be determinative of the rights of the undersigned parties against or to each other in the above-entitled action regarding the subject matter of the decision of the State of Connecticut Siting Council (Council) in Council Docket No. 366 and the application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility at 52 Stadley Rough Road in Danbury, Connecticut. By executing this Stipulation, the Parties expressly declare that they fully understand the terms of the Judgment to be entered as set forth below, and agree and desire to be bound thereby.

23 JAN 10 10:00 AM
COURT

JUDGMENT ON STIPULATION

Plaintiffs CITY OF DANBURY and JOSE and CHRISTINA CARVALHEIRO ("Carvalheiros"), the Defendants STATE OF CONNECTICUT SITING COUNCIL ("Council"), OPTASITE TOWERS, LLC. (now known as SBA TOWERS II, LLC)("SBA"), and OMNIPOINT COMMUNICATIONS, INC. (now known as T-MOBILE NORTHEAST, LLC)("T-Mobile") (collectively called "the Parties"), through their respective attorneys, have consented to the making and entry of this judgment in settlement of the above-captioned administrative appeal of the final decision in Council Docket No. 366;

1. With the consent of the Parties, the Court hereby AFFIRMS the Council's Findings of Fact in its final decision in Council Docket No. 366.

2. With the consent of the Parties, the Court hereby AFFIRMS the Council's opinion and its final decision in Council Docket No. 366.

3. With the consent of the Parties, the Court hereby APPROVES Exhibit A to this Stipulation, consisting of a revised and amended Development & Management Plan ("D&M Plan"), which includes construction drawings prepared by CHA Companies and included in Exhibit A and as dated/last revised as noted in the chart also included in Exhibit A. Future modifications to the D&M Plan as may be necessitated by the City of Danbury Building Department, construction, or other subsequent modifications sought by SBA, T-Mobile or third parties shall be reviewed by the Council subject to the Council's regulatory processes and any jurisdictional limits and subject to the conditions herein. Any field changes, D&M Plan amendments or exempt modifications will be subject to the requirement that Defendant SBA, or its authorized agents, provide notice to the Plaintiff City of Danbury with an opportunity to be heard prior to any Council action thereon, and

also shall be subject to any other required City permit(s) for such field changes, construction or facility site modifications. The Siting Council shall not acknowledge any future exempt modification notices or approve any tower sharing requests unless it determines that the proposed antennas are flush mounted to the tower and any new equipment is installed within the fenced compound in a manner consistent with the D&M Plan and this Stipulated Judgment which confirms the Council's April 2009 Decision & Order. Any other proposed modifications, applications and new and/or amended certificates must be designed to the greatest extent feasible to be consistent with the D&M Plan and this Stipulated Judgment, and the burden of proof for any proposed deviation shall be on the applicant(s) before the Council to demonstrate that such compliance is not feasible. The requirements set forth in the previous sentence may be waived by the City in its discretion. Any such future modifications to the D&M Plan shall not require review by this Court as part of this Stipulated Judgment. Notwithstanding any other provision herein to the contrary, the height of the tower (140 feet as agreed to in this Stipulated Judgment), shall not be increased for any reason, unless consented to by the City.

4. With the consent of the Parties, the Court hereby APPROVES a name change and/or transfer of the Certificate issued in Docket No. 366 to SBA Towers II, LLC.

5. The City of Danbury hereby affirms that, other than issuance of a building permit and certificate of occupancy by the City of Danbury Building Official pursuant to Sections 29-263 and 29-265 of the State Building Code and the review and approval of a "B100a" plan pursuant to Section 19-13-B100a of the State Public Health Code and a determination of the City Health Department that a code complying reserve area exists for the existing church at 52 Stadley Rough Road, no other City permits, approvals or consents are or will be required for the cellular tower

facility as approved by the Council in Docket 366 and as shown in the revised and amended D&M Plan. Attached hereto and incorporated herein are the City Building Permit (foundation only/tower component pending) and B100a approvals for the cellular tower facility.

6. In the event, SBA, T-Mobile or a future co-locating tenant of SBA seeks to modify the facility by adding additional backup power, such parties shall use a fuel cell to the extent such technology is readily available for use and meets the backup power requirements for the site. If a fuel cell is not used, SBA, T-Mobile or a future co-locating tenant shall provide written notice to the City and to the Carvalheiros explaining the reasons why such technology is not then readily available for such intended use. Any permanent diesel, propane or natural gas power backup generators will be considered a secondary option and if used must be baffled, and the cycling times shall be scheduled between the hours of 9am and 5pm weekdays.

7. Plaintiff JOSE AND CHRISTINA CARVALHEIRO shall be named as additional insureds under all insurance policies required to be maintained by SBA concerning the facility site, insuring the Carvalheiros against any damages for bodily injury and injury to property, with minimum coverage limits of \$1,000,000 per occurrence, solely to the extent such damages or injuries are determined to be caused in whole or in part by the negligent or wrongful acts or omissions of SBA, and excluding damages or injuries arising solely out of the Carvalheiros' negligence or own actions or omissions. Such policies shall provide for at least thirty (30) days' written notice to the Carvalheiros of expiration; in case of expiration, new policies containing the same terms and conditions as referenced above shall be issued no later than the expiration date of the expiring policy. The Carvalheiros shall receive at least annual written notice of such coverages by certified mail, return receipt requested.

8. Each of the undersigned signatories has been duly authorized to execute and enter into this Stipulation on behalf of the Parties by their respective clients, companies, and/or members and this Stipulation shall be fully binding on each Parties' successors, assigns, members and officials.

9. Each of the Parties, in consideration of the terms and provisions hereof, and other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged by each of the Parties, hereby covenants not to sue and hereby fully and forever does release and discharge the other Parties, as well as their affiliates, parent companies, subsidiaries, employees, officers, directors, members, administrators, agents, attorneys, predecessors, successors and/or assigns, from all actions, causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, extents, executions, claims and demands whatsoever, whether known or unknown, in law, admiralty or equity, which any of the Parties now has or hereafter can, shall, or may have against the other Parties by reason of anything or cause from the beginning of the world to the date hereof with respect to any matter concerning or arising out of the subject matter of the above-captioned action. However, the terms of this release shall not release, or in any way affect, the obligations of each of the Parties under this Stipulated Judgment. Moreover, the terms of this release shall not release, or in any way affect, the obligations of SBA and T-Mobile under any separate agreement concerning or relating to the lease and/or operation of the cellular tower facility at issue in this action.

10. This Court shall retain continuing jurisdiction to enforce the terms and conditions of this Stipulation for Judgment. In the event any party hereto is found by the Court to be in violation of any term of this Stipulation for Judgment (including but not limited to a failure to adhere to the

plans attached at Exhibit A), the prevailing party shall be entitled to reasonable attorney's fees and costs.

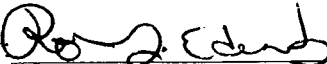

11. This Judgment shall be effective immediately upon entry.

12. This Judgment shall be binding on the parties, their heirs, successors and assigns, and the City shall record the Judgment on the Danbury Land Records for the parcel at 14 Indian Spring Road within ten (10) days of entry of the Judgment by the Court.

13. Nothing in this Stipulated Judgment shall be construed as an approval by the City or the Carvalheiros of the tower facility which is the subject of this proceeding.

SEEDING NOTES:

- ALL DISTURBED AREAS SHALL BE SOAK AND SEEDED WITH THE FOLLOWING SEEDING MIX:
50% MASSACHUSETTS BLUEGRASS
25% MASSACHUSETTS BROMUS
25% P-100 KENTUCKY BLUEGRASS
20% THE TURTLE RYE
- SEED SEED CONTENT SHALL NOT EXCEED 0.25%.
- THE FERTILIZER SHALL BE A 3-10-5 COMMERCIAL GRADE FERTILIZER APPLIED AT THE MANUFACTURER'S RECOMMENDED APPLICATION RATE.
- SEEDING APPLICATION RATE SHALL BE 5 LBS PER 1,000 SQ. FT.

TOPSOIL NOTES:

- ALL DISTURBED AREAS TO BE SEED OR PLANTED SHALL RECEIVE TOPSOIL (6" MINIMUM DEPTH).
- TOPSOIL SHALL CONSIST OF FERTILE, FRABLE, NATURAL LOAM FREE OF SUBSOL, CLAY LUMPS, BRUSH, STONES OR OTHER DELETERIOUS MATERIALS LARGER THAN 2" IN DIAMETER. TOPSOIL SHALL MEET THE FOLLOWING GRADATION, pH AND ORGANIC CONTENT REQUIREMENTS:
SIEVE
7" - 100
3" - 85-100
2" - 70-80
1" - 50-60
NO 200
PH RANGE: 5.5 - 7.5
ORGANIC CONTENT: 2% - 20%
- APPROVED TOPSOIL SHALL BE TESTED BY INDEPENDENT TESTING FACILITY WITH TEST RESULTS SUBMITTED TO THE ENGINEER FOR APPROVAL. CONTRACTOR SHALL PAY FOR ALL TESTING. ACCEPTANCE OF TOPSOIL SHALL BE BASED UPON TEST RESULTS. ONE TEST SHALL BE PERFORMED PER 100 C.Y. OF TOPSOIL.
- NATURAL TOPSOIL MAY BE AMENDED WITH APPROVED MATERIALS BY APPROVED METHODS TO MEET THE ABOVE SPECIFICATIONS.

MULCH

- ALL PLANTINGS AND PLANTING BEDS SHALL RECEIVE 3" OF BARK MULCH AS SHOWN ON PLANS.
- ALL PLANTING BED EDGES SHALL HAVE A 4" TRIMMING OF BARK MULCH TO MAINTAIN A CLEAN EDGE BETWEEN LAWN AREAS AND PLANTED BED AREAS.

GUARANTEE:

THE CONTRACTOR SHALL PROVIDE THE OWNER WITH A WRITTEN GUARANTEE FOR THE PLANTINGS. THIS GUARANTEE SHALL BECOME A PART OF THE CONTRACT. SUBSTANTIAL COMPLETION AND EXTEND FOR A PERIOD NOT LESS THAN ONE (1) YEAR. ALL PLANT MATERIALS, INSTALLATION AND MAINTENANCE SHALL BE INCLUDED IN THE CONTRACT PRICE.

NOTE: CERTIFICATE HOLDER SHALL REMAIN LIABLE AND RESPONSIBLE FOR THE REPLACEMENT OF DEAD OR DISEASED TREES AND SHRUBS FOR THREE ADDITIONAL YEARS FOLLOWING THE GUARANTEE PERIOD HEREIN SO INDICATED. AT THE EXPIRATION OF THE TOTAL THREE YEAR PERIOD FOLLOWING THE EXPIRATION OF THE GUARANTEE PERIOD, THE CITY MAY REQUIRE REPLACEMENT OF DEAD OR DISEASED TREES AND SHRUBS WITH THE SAME SPECIES AT ITS SOLE DISCRETION. SUCH DISCRETION SHALL NOT BE UNREASONABLY IMPOSED. ADDITIONALLY, DURING THE SAME THREE YEAR PERIOD, THE CITY SITING COUNCIL MAY REQUIRE THE CERTIFICATE HOLDER TO REPLACE TREES OR SHRUBS WITH ALTERNATE SPECIES AT THE CITY'S REQUEST OR IN ITS SOLE DISCRETION UPON NOTICE TO THE CITY, WHICH SUCH DISCRETION SHALL NOT BE UNREASONABLY IMPOSED. WHEN IT DETERMINES AN ALTERNATE SPECIES WOULD PROVIDE SIMILAR SCREENING AND PROVE HARDIER CONSIDERING CLIMATE, SOIL AND OTHER APPLICABLE CONDITIONS, CERTIFICATE HOLDER SHALL, AS SOON AS POSSIBLE, WEATHER PERMITTING, REPLACE OR CAUSE TO BE REPLACED, SUCH DEAD OR DISEASED TREES OR SHRUBS.

PLANTING DETAILS - TREES NTS

- PLANTING NOTES**
- PLANTING BACKFILL:**
- A. MIXES: ALL BACKFILL MATERIALS SHALL BE BULK MIXED, NOT INDIVIDUALLY MIXED AT EACH PLANT PIT
 - B. MIXES: BACKFILL FOR PLANTING PITS SHALL BE ENRICHED USING THE FOLLOWING BLEND PER CUBIC YARD:
 - 60% TOP SOIL
 - 40% ORGANIC AMENDMENT, PEAT OR LEAF COMPOST
 - C. SOIL MIX:
 - 40% ORGANIC AMENDMENT, PEAT OR LEAF COMPOST
 - COMMERCEAL FERTILIZER "AGFORM" 20-10-5
- ADD: TERRA-SORB 1M OR EQUAL HYDROGEL CRYSTALS AT THE RATE OF ONE PER CUBIC FOOT**
- PLANTING:**
- A. TREE AND SHRUB PLANTING:
 - 1. SOIL SURROUNDING PLANTING PIT SHALL BE IN A FRABLE CONDITION AND MOIST TO A DEPTH OF 8".
 - 2. BACKFILL USING SPECIFIED SOIL MIX TO WITHIN 8" OF FINISH GRADE. AT THIS DEPTH, PLACE THE PLANT FERTILIZER TABLETS AGFORM 20-10-5, ONE CRAMM EACH, OR APPROVED EQUAL. WATER THOROUGHLY TO MOISTEN THE SOIL.
 - 3. TREES SHALL BE PLANTED AT SUCH A DEPTH THAT THE CROWN ROOTS NEAR THE SAME RELATIVE POSITION TO FINISH GRADE AS THE CROWN ROOTS DID IN THE SOILS WHERE THE TREES WERE GROWN. BACKFILL SHALL BE COMPACTED CAREFULLY INTO PLACE WITHOUT INJURING THE ROOTS OF THE TREE OR BREAKING UP THE BALL OF EARTH SURROUNDING THE ROOTS.
- WATERING:**
- A. RESPONSIBILITY: IT SHALL BE CONTRACTOR'S RESPONSIBILITY TO MAINTAIN A BALANCED WATERING PROGRAM TO ENSURE PROPER GROWTH UNTIL FINAL ACCEPTANCE OF THE WORK.
 - B. INITIAL WATERING: IMMEDIATELY AFTER PLANTING, APPLY WATER TO EACH PLANT. APPLY WATER IN A MODERATE FLOW RATE, SUFFICIENT TO SATURATE THE SOIL TO A DEPTH OF 12 INCHES. WATER SHOULD BE APPLIED TO THE BOTTOM OF THE HOLE TO THE TOP OF THE GROUND. FOR TREES PLANTED IN SPRING OR SUMMER, PROVIDE TWO TO THREE IRRIGATIONS EACH WEEK DURING THE FIRST TWO MONTHS AFTER PLANTING. THE USE OF "TREECATOR" DRIP IRRIGATION BAGS MAY BE USED AND SHOULD BE FILLED ONCE PER WEEK.
 - C. DISCONTINUING WATERING: FOLLOWING THE INITIAL TWO MONTHS OF FREQUENT IRRIGATION, PROVIDE WEEKLY IRRIGATION UNTIL THE END OF THE GROWING SEASON (AND NOVEMBER). AT EACH IRRIGATION, APPLY ABOUT 2 GALLONS OF WATER TO EACH PLANT. PROVIDE ADDITIONAL IRRIGATIONS FOR A 2-INCH TREE) OVER THE ROOT BALL. NEVER ADD IRRIGATION IF THE ROOT BALL IS SATURATED.

GENERAL ELECTRICAL NOTES

- 1.) ALL ELECTRICAL WORK SHALL CONFORM TO NATIONAL ELECTRIC CODE, LATEST ADOPTED EDITION, AND LOCAL CODES.
- 2.) ALL ELECTRICAL MATERIALS, EQUIPMENT AND INSTALLATION PROCEDURES TO CONFORM WITH SBA SPECIFICATIONS.
- 3.) CONTRACTOR SHALL PERFORM ALL VERIFICATION TESTS AND EXAMINATION WORK PRIOR TO THE ORDERING OF THE ELECTRICAL EQUIPMENT. CONTRACTOR SHALL BE RESPONSIBLE FOR THE CORRECTION OF ALL MALFUNCTIONS, FAULTY EQUIPMENT & DISCREPANCIES.
- 4.) ELECTRICAL PLANS, DETAILS, AND DIAGRAMS ARE DIAGRAMMATIC. ONLY FIELD CONDITIONS DICTATE THE AMOUNT AND LOCATION OF EQUIPMENT.
- 5.) ALL MATERIALS SHALL BE MANUFACTURED IN ACCORDANCE WITH APPLICABLE STANDARDS ESTABLISHED BY ANSI, NEMA, NFPA, AND "UL" LISTED.
- 6.) THE ENTIRE ELECTRICAL INSTALLATION SHALL BE GROUNDED AS REQUIRED BY THE NEC, AND ALL APPLICABLE LOCAL CODES.
- 7.) ALL CIRCUIT BREAKERS, FUSES AND ELECTRICAL EQUIPMENT SHALL HAVE A MINIMUM INTERRUPTING RATING GREATER THAN THE UTILITY FAULT CURRENT.
- 8.) FOR COMPLETE INTERNAL WIRING AND ARRANGEMENT REFER TO VENDOR PRINTS AND INSTRUCTIONS.
- 9.) PATCH, REPAIR AND PAINT ANY AREA THAT HAS BEEN DAMAGED IN THE COURSE OF THE ELECTRICAL WORK.
- 10.) PROVIDE SBA WITH ONE SET OF COMPLETE ELECTRICAL "AS-BUILT" DRAWINGS AT THE COMPLETION OF THE JOB SHOWING ACTUAL ROUTINGS AND WIRING CONNECTIONS.
- 11.) LABEL ALL ELECTRICAL EQUIPMENT PER SBA SPECIFICATIONS.
- 12.) ALL SINGLE-PHASE SELF-CONTAINED METER CONNECTION DEVICES MUST INCLUDE HORN TYPE BY-PASS PROVISION SO THAT SERVICE WILL BE INTERRUPTED WHEN A METER IS REMOVED FROM THE SOCKET.
- 13.) ALL EQUIPMENT PUNCH OUTS AND CONDUITS (USED AND SPARE) TO BE "RODENT PROOFED" WITH CAPS, STEEL MESH, AND/OR FOAM FILL BY CONTRACTOR (AS NEEDED).
- 14.) ALL INTERIOR CONDUITS AND BUSINGS SHALL BE RATED ALL EXTERIOR SHALL BE PVC UNLESS NOTED OTHERWISE. SEE SBA SPECIFICATIONS.
- 15.) NO SPOLS TO BE LEFT ON SITE WITHOUT THE WRITTEN CONSENT OF THE LANDOWNER.
- 16.) CONTRACTOR TO PROVIDE 2 PHENOLIC LABELS AT METER ONE TO IDENTIFY "SBA DISCONNECT" AND THE OTHER TO GIVE SITE ADDRESS.

Connecticut

Siting

Council

April 23, 2009

Decision and Order

Pursuant to the foregoing Findings of Fact and Opinion, the Connecticut Siting Council (Council) finds that the effects associated with the construction, operation, and maintenance of a telecommunications facility, including effects on the natural environment; ecological integrity and balance; public health and safety; scenic, historic, and recreational values; forests and parks; air and water purity; and fish and wildlife are not disproportionate, either alone or cumulatively with other effects, when compared to need, are not in conflict with the policies of the State concerning such effects, and are not sufficient reason to deny the application, and therefore directs that a Certificate of Environmental Compatibility and Public Need, as provided by General Statutes § 16-50k, be issued to Optasite Towers LLC, hereinafter referred to as the Certificate Holder, for a telecommunications facility at 52 Stadley Rough Road, Danbury, Connecticut.

The facility shall be constructed, operated, and maintained substantially as specified in the Council's record in this matter, and subject to the following conditions:

1. The tower shall be constructed as a monopole, no taller than necessary to provide the proposed telecommunications services, sufficient to accommodate the antennas of Omnipoint Communications, Inc. and other entities, both public and private, but such tower shall not exceed a height of 140 feet above ground level. All antennas attached to the monopole shall be flush-mounted.
2. The Certificate Holder shall shift, to the extent feasible, the compound to the north and east to help retain the existing vegetative buffer.
3. The Certificate Holder shall incorporate an architectural treatment for the fence of the facility compound and any equipment shelters therein that is consistent with and amenable to adjacent land uses.
4. The Certificate Holder shall prepare a Development and Management (D&M) Plan for this site in compliance with Sections 16-50j-75 through 16-50j-77 of the Regulations of Connecticut State Agencies. The D&M Plan shall be served on the City of Danbury for comment, and all parties and intervenors as listed in the service list, and submitted to and approved by the Council prior to the commencement of facility construction and shall include:

- a) a final site plan(s) of site development to include specifications for the tower, tower foundation, antennas, equipment compound, radio equipment, access road, utility line, and landscaping that will provide additional vegetative buffering for the adjacent properties; and
 - b) construction plans for site clearing, grading, landscaping, water drainage, and erosion and sedimentation controls consistent with the 2002 Connecticut Guidelines for Soil Erosion and Sediment Control, as amended.
5. The Certificate Holder shall, prior to the commencement of operation, provide the Council worst-case modeling of the electromagnetic radio frequency power density of all proposed entities' antennas at the closest point of uncontrolled access to the tower base, consistent with Federal Communications Commission, Office of Engineering and Technology, Bulletin No. 65, August 1997. The Certificate Holder shall ensure a recalculated report of the electromagnetic radio frequency power density be submitted to the Council if and when circumstances in operation cause a change in power density above the levels calculated and provided pursuant to this Decision and Order.
6. Upon the establishment of any new State or federal radio frequency standards applicable to frequencies of this facility, the facility granted herein shall be brought into compliance with such standards.
7. The Certificate Holder shall permit public or private entities to share space on the proposed tower for fair consideration, or shall provide any requesting entity with specific legal, technical, environmental, or economic reasons precluding such tower sharing.
8. The Certificate Holder shall provide reasonable space on the tower for no compensation for any City of Danbury public safety services (police, fire and medical services), provided such use can be accommodated and is compatible with the structural integrity of the tower.
9. Unless otherwise approved by the Council, if the facility authorized herein is not fully constructed and providing wireless services within eighteen months from the date of the mailing of the Council's Findings of Fact, Opinion, and Decision and Order (collectively called "Final Decision"), this Decision and Order shall be void, and the Certificate Holder shall dismantle the tower and remove all associated equipment or reapply for any continued or new use to the Council before any such use is made. The time between the filing and resolution of any appeals of the Council's Final Decision shall not be counted in calculating this deadline.
10. Any request for extension of the time period referred to in Condition 9 shall be filed with the Council not later than 60 days prior to the expiration date of this Certificate and shall be served on all parties and intervenors, as listed in the service list, and the City of Danbury. Any proposed modifications to this Decision and Order shall likewise be so served.
11. If the facility ceases to provide wireless services for a period of one year, this Decision and Order shall be void, and the Certificate Holder shall dismantle the tower and remove all associated equipment or reapply for any continued or new use to the Council before any such use is made.

12. The Certificate Holder shall remove any nonfunctioning antenna, and associated antenna mounting equipment, within 60 days of the date the antenna ceased to function.
13. In accordance with Section 16-50j-77 of the Regulations of Connecticut State Agencies, the Certificate Holder shall provide the Council with written notice two weeks prior to the commencement of site construction activities. In addition, the Certificate Holder shall provide the Council with written notice of the completion of site construction and the commencement of site operation.

Pursuant to General Statutes § 16-50p, the Council hereby directs that a copy of the Findings of Fact, Opinion, and Decision and Order be served on each person listed below, and notice of issuance shall be published in the Danbury News-Times.

By this Decision and Order, the Council disposes of the legal rights, duties, and privileges of each party named or admitted to the proceeding in accordance with Section 16-50j-17 of the Regulations of Connecticut State Agencies.
