RE: **EM-CING-034-210219** - New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 52 Stadley Rough Road, Danbury, Connecticut.

Dear Attorney Patrick:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on February 19, 2021. Council staff reviewed this request for completeness and had identified deficiencies that were more fully described in a notice of incompleteness letter/e-mail to the requesting entity dated March 19, 2021 (attached) and recommended that AT&T provide a revised request that is in compliance with the Connecticut Superior Court's Stipulation for Judgment dated January 6, 2010, on or before April 16, 2021. To date the Council has not received a response.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,
