RE: **EM-CING-034-220601** – New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 52 Stadley Rough Road, Danbury, Connecticut.

Dear Mr. Renwick:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on June 1, 2022. Council staff reviewed this request for completeness and had identified deficiencies that were more fully described in a notice of incompleteness letter to Centerline Communications, LLC dated June 30, 2022 (attached), and recommended that Centerline Communications provide revised plans/analyses and notice information for this facility that is in compliance with the Connecticut Superior Court's Stipulation for Judgment dated January 6, 2010 on or before September 2, 2022 (including an extension). To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

Melanie Bachman  
Executive Director

Enclosure: Incomplete filing letter dated June 30, 2022
