RE: **EM-T-MOBILE-034-151014** – T-Mobile notice of intent to modify an existing telecommunications facility located at 52 Stadley Rough Road, Danbury, Connecticut.

Dear Ms. Pelletier:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on October 14, 2015.

This facility was certificated by the Council on April 23, 2009 in Docket 366. Additionally, a Stipulation for Judgment was issued by the Connecticut Superior Court dated January 6, 2010 for this facility.

According to the Decision and Order of Docket No. 366 Condition 1 and the Stipulated Judgment, "All antennas attached to the monopole shall be flush-mounted."

Council staff has identified the following discrepancy:

- This exempt modification notice indicates that the proposed antennas would be installed on T-arm mounts.

This is in violation the Decision and Order and the Stipulated Judgment and thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies.

Very truly yours,

Melanie Bachman
Acting Executive Director
