Re: **EM-VER-036-150601 – Celco Partnership d/b/a Verizon Wireless
15 Pent Road, Deep River, Connecticut**

Dear Ms. Bachman:

On June 25, 2015, the Siting Council acknowledged receipt of Celco's notice of intent to modify its telecommunications facility at 15 Pent Road in Deep River, Connecticut. Due to delays in its antenna modification program and shifting budget priorities, Celco has not yet completed the approved antenna modifications at this site. We are, therefore, requesting an extension of one (1) year to complete these facility modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
