Good afternoon, Lisa

I do not fully understand? Attached are the receipts with tracking and delivery confirmation. I believe this was previously sent over by Deb Chase.

Please let me know what we can do differently so this doesn't continue to happen. We want to make sure we are not creating more work for you. Our goal is ensure we are sending complete and thorough packages over. Right now we send the receipt from the post office with the tracking numbers. If there something else we could or should be doing please let me know.

Thank you for you help with this matter.

Regards,
Denise

Good afternoon, Denise.

Thank you for your response. The receipt for the mailing at the post office is fine to show that it was mailed; however, what you had provided included three recipients on the receipt (the First Selectman, the Planner, and the tower owner in MA). The underlying property owner was not included on your receipt. I would suggest just confirming that what you provide in the receipt for tracking numbers is the same as the tracking numbers on the mailing labels specifically for the Town CEO and the underlying property owner so that we can confirm that the EM requests were mailed them.

Please let us know if you have any questions.

Thank you,
Christina Walsh
