To Whom It May Concern:

In accordance with the requirements of the 2018 Connecticut State Building Code, Dewberry Engineers Inc. (Dewberry) has reviewed the tower related construction activities at the above referenced project to verify they were completed in general conformance with the requirements of the construction and structural related documents.

Dewberry referenced the following:

- Construction Drawings Rev. 0 by Dewberry Engineers Inc. (Dated March 9, 2019)
- Tower Structural Analysis Report by Tower Engineering Solutions (Dated February 18, 2019)
- Mount Modification Report by B+T Group (Dated January 29, 2019)
- Photos of completed construction activities provided by Ironbo Inc.

Based on the information and photos provided, it appears that the project is constructed in general conformance with the applicable plans and specifications. If you have any questions, please do not hesitate to contact Dewberry Engineers Inc.

Sincerely,  
**Dewberry Engineers Inc.**
