Subject: Sprint CT03XC072 116 Newgate Road, East Granby 06025

Good afternoon,

T-Mobile/Sprint plans to decommission and remove all Sprint's equipment from the existing 80' Monopole and equipment on the ground located at 116 Newgate Road, East Granby, CT; site coordinates are N41.9600, W-72.7395. The landlord is the State of Connecticut, and the owner is the Connecticut Airport Authority. The town of East Granby indicated this site falls under the state's guidelines and to work with the CT Siting Council.

Please let me know if any permit or notice is required and the process requirements for T-Mobile to remove the equipment. The monopole and foundation will remain for a future carrier. I have attached a set of plans from the last tower modification for your reference.

Thank you in advance for your help! Please contact me with any questions or concerns.
