Notice of Compliance with Conditions and Construction Completion

Dear Attorney Bachman:

The T-Mobile site referenced above was approved by The Connecticut Siting Council (Council) on February 15, 2019 as an Exempt Modification. T-Mobile is now requesting the close out of the approval and hereby acknowledges the following conditions were met:

1. Approval of any minor changes be delegated to Council staff;
2. Any deviation from the proposed installation as specified in the original tower share request and supporting materials with the Council shall render this decision invalid;
3. Any material changes to the proposed installation as specified in the original tower share request and supporting materials filed with the Council shall require an explicit request for modification to the Council pursuant to Connecticut General Statutes § 16-50aa, including all relevant information regarding the proposed change with cumulative worst-case modeling of radio frequency exposure at the closest point of uncontrolled access to the tower base, consistent with Federal Communications Commission, Office of Engineering and Technology, Bulletin 65;
4. Not less than 45 days after completion of the proposed installation, the Council shall be notified in writing that the installation has been completed;

5. Any non functioning antenna and associated antenna mounting equipment on this facility owned and operated by T-Mobile shall be removed within 60 days of the date the antenna ceased to function. The validity of this action shall expire one year from the date of this letter; and
6. The validity of this action shall expire one year from the date of this letter; and
7. The applicant may file a request for an extension of time beyond the one year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The attached PE Closeout Letter dated March 11, 2023 provides evidence of compliance with the conditions outlined by the Council. In addition, T-Mobile hereby notifies the Council that construction of the acknowledged modifications was completed as of April 23, 2020, please find attached photos of the completed modifications to this facility.

Sincerely,

To whom it may concern,

Infinigy has conducted a post-construction review and evaluation of the site referenced above. Infinigy has prepared the drawings for the aforementioned site and as such, we have conducted a final site review for the sole purpose to verify that the installation was completed in accordance with the site plans.

Based on our review of the signed and sealed construction documents for this site issued by Infinigy (Revision 0, 08/05/2022), and the as-built drawings and post construction photographs provided by the contractor, it is our opinion that the site was built in general conformance with the site plans as prepared by Infinigy.

Please free to contact us if you have any questions or require additional information.
