Connecticut Siting Council
10 Franklin Square
New Britain, CT 06051

RE: EM-T-MOBILE-043-220829 1455 Forbes Street, East Hartford, Connecticut

Dear Council,

The purpose of this letter is to notify the Siting Council that the construction activity associated with the above-referenced T-Mobile telecommunications facilities has been completed.

The Council acknowledged the above referenced exempt modification request on September 26, 2022. T-Mobile hereby notifies the Council that construction of this modification is now complete. Photos of the modification have been included.

If you have any questions or need any additional information regarding these facilities, please do not hesitate to contact me.

ELEVATED ENGINEERING

99 Fanny Road, Boonton, NJ 07005

T-Mobile Northeast, LLC
4 Sylvan Way
Parsippany, NJ 07054

July 12, 2023

Subject: Closeout Letter
Site Address: 1455 Forbes St., East Hartford, CT 06118
Site Number: CT11186A
Elevated Number: 23004-TRN

To Whom It May Concern:

Elevated Engineering, PLLC ("Elevated") conducted a site inspection on April 19, 2023 to determine installation compliance with the construction documents for the T-Mobile initiative for the above referenced site. Reference documents are as follows:

- Construction Drawings by Infinigy dated 08/19/22.
- Structural Analysis Report by Black & Veatch dated 04/21/22.
- Mount Analysis Report by Trylon dated 08/04/22.
- Structural Analysis Report by Morrison Hershfield dated 01/24/23 (for mount replacement).

It was determined that the equipment was installed as intended on the construction documents. Therefore, based on the aforementioned, this site **is in compliance** with the drawings.

The conclusions reached in this evaluation are only applicable for the equipment described above. There is no qualification made or implied by this report for existing conditions not involved with the upgraded equipment.

If you have any questions or require additional information about this matter, please contact me at our Morris Plains NJ office at 862-242-8050.

Sincerely,
Elevated Engineering, PLLC
