Completion of Construction

Dear Attorney Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced facility modifications has been completed.

I will also note that construction activity associated with these facility modifications commenced on or about January 25, 2022. We were not notified that work had commenced and, therefore, did not provide the Council with notice prior to this commencement date. I apologize for this oversight. My client and I are working internally to establish a protocol to avoid these issues from occurring again.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
