RE: **EM-AT&T-044-220817** - AT&T notice of intent to modify an existing telecommunications facility located at 259 Commerce Street, East Haven, Connecticut.

Dear Domenica Tatasciore:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated October 3, 2022 in response to the Council's September 1, 2022 incomplete notice for the above referenced site. Staff has reviewed the Radio Frequency Safety Survey Report (RF Analysis) prepared by MobileComm Professionals, Inc., dated September 29, 2022 and identified a deficiency. The RF Analysis indicates that the maximum cumulative %MPE from AT&T's antennas would be 16.4% at ground level; however, the exact location where the maximum cumulative %MPE from AT&T's antennas was not provided. Additionally, the above referenced RF Analysis does not account for T-Mobile's and Metro by T-Mobile's existing installations on the tower.

Therefore, the exempt modification request remains incomplete at this time. The Council recommends that AT&T provide a revised cumulative RF Analysis that includes a rigorous far-field analysis for AT&T's proposed installation and T-Mobile's and Metro by T-Mobile's existing installations on the tower that accounts for a 6-foot tall person and the actual antenna pattern for the proposed modifications to the facility with a cumulative %MPE at or below 100%, on or before November 18, 2022. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 18, 2022.

Please provide an electronic version of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.

This notice of incompleteness shall have the effect of tolling the FCC 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melanie Bachman'.

Melanie Bachman
