**Re: Exempt Modification Notice Filed 9/2/11 – Emergency Disaster Recovery Deployment
- New Cingular Wireless PCS, LLC - Temporary Cellular Communications Site on
Town-Owned Property at 161 Cosey Beach Avenue, East Haven, CT**

Dear Chairman Stein and Members of the Council:

The AT&T cell on wheels (“COW”) deployment at Cosey Beach Avenue in East Haven, which began September 1, 2011, remains at that hard-hit location and continues to assist with Hurricane Irene disaster recovery efforts. At the present time it is still unclear how long this temporary deployment will be required.

The Council acknowledged AT&T’s temporary telecommunications facility pursuant to RCSA Section 16-50j-72(d) on September 23, 2011.

Because the Council is statutorily authorized to approve such temporary facilities for up to 30 days, AT&T hereby requests a 30-day extension of the Council’s approval.

Please feel free to call me at (203) 556-1655 with questions concerning this matter.

Thank you.

Respectfully yours,

Steven L. Levine
