To whom it may concern:

Infinigy has prepared the carrier upgrade site design for the above-mentioned site and conducted a final review of the proposed installation for the sole purpose to verify that the installation was completed in accordance with the mount analysis.

Based on our review of the signed and sealed mount analysis for this site issued by Infinigy (Dated 03/14/23) and the as-built drawings and post construction photographs, it is our opinion that the platform modification was built in general conformance with the mount analysis as prepared by Infinigy.

Please feel free to contact me at (678) 444-4463 if you have any questions or require additional information.

Sincerely,

Christopher J. Warren, P.E.
