Re: TS-CING-046-181001: Tower Sharing Request by New Cingular Wireless PCS, LLC
Facility as Approved in Siting Council Docket 473
Premises: 515 Morehouse Road, Easton, Connecticut

Dear Chairman Stein and Members of the Siting Council:

We are in receipt of the correspondence dated October 5, 2018 from the Siting Council requesting submission of 1) proof of service to the owner and municipality and 2) a letter from the Certificate Holder indicating consent to the tower share.

Enclosed please find a cover letter to the Easton First Selectman Adam Dunsby providing a copy of the submission and proof of sending by overnight delivery by FedEx. As the Town is the underlying property owner this submission is both to the chief elected official and the underlying property owner. Please also find enclosed a letter from Certificate Holder Homeland Towers dated October 10, 2018 providing consent to sharing the existing facility and authorizing AT&T to apply for and obtain all necessary permits and approvals.

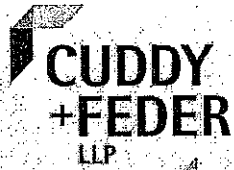

I trust this satisfies the requests outlined in the October 5, letter. Should you have any questions or need anything further please do not hesitate to contact me.

Respectfully submitted,

Daniel M. Laub
