**RE: Non-Completion of Construction Activity – EM-VER-046-220310
515 Morehouse Road, Easton, CT 06612**

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that the construction activity associated with the above-referenced Verizon Wireless Exempt Modification has not commenced due to a project redesign. Therefore, this Exempt Modification case is no longer needed, and we would like to request that it be cancelled so we can re-file the modified project for the council's review.

If you have any questions or need any additional information regarding these facilities, please do not hesitate to contact me.

Respectfully,
Cullen Morgan
