Re: **EM-VER-046-210727 – Cellco Partnership d/b/a Verizon Wireless  
Telecommunications Facility, 197 North Street, Easton, Connecticut**

## **Completion of Construction**

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced facility modification has been completed.

As required by the Council's approval, attached is a letter from Dewberry Engineers Inc. dated January 30, 2023, verifying that Cellco's facility modifications were completed in accordance with the July 9, 2021 Mount Analysis Report by Maser Consulting.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

Wallingford, CT 06492

**Verizon Site Name: Easton North CT**  
**Site No.: 467258**  
**Site Address: 197 North Street**  
**Easton, CT 06612**

**CSC Reference #: EM-VER-046-210727**

To Whom It May Concern:

Dewberry Engineers Inc. (Dewberry) is providing a letter of compliance for the above referenced project. All inspections were limited to aspects of installation visual from ground level following construction activities & contractor provided photos. The following are the basis for substantiating compliance with the modification:

- December 21, 2022– Field Report #1 (By Dewberry)
- July 09, 2021 – Mount Analysis (By Maser Consulting)
- July 19, 2021 –Rev-1 Construction Drawings (By Dewberry)
- May 21, 2021 - Structural Analysis Report (By Tower Engineering Solutions)
- January 26, 2023 - Mount Post-Modification Inspection Report (By Maser Consulting)

Based on visual observations, it appears that the project is constructed in general conformance with the applicable plans and specifications. If you have any questions, please do not hesitate to contact Dewberry Engineers Inc.

Sincerely,  
**Dewberry Engineers Inc.**
