RE: **EM-T-MOBILE-049-210910** –T-Mobile notice of intent to modify an existing telecommunications facility located at 37 Bacon Road, Enfield, Connecticut

Dear Mr. Appleby:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on September 10, 2021.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the request. The structural analysis (SA) prepared by Hudson Design Group LLC (HDG) and dated June 7, 2021 Rev 2 is not consistent with the construction drawings prepared by HDG and last dated August 30, 2021 that contains a structural note referencing a SA prepared by HDG and dated July 21, 2021 Rev 3.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications provide the SA prepared by HDG and dated July 27, 2021 Rev 3 on or before November 22, 2021. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 22, 2021. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
