RE: **EM-VER-051-180620** – Cellco Partnership, d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 3965 Congress Street, Fairfield, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 4, 2019, submitted on behalf of Cellco Partnership d/b/a Verizon Wireless (Verizon), requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a six-month extension of time until January 9, 2020, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Executive Director

Re: **EM-VER-051-180620 – Celco Partnership d/b/a Verizon Wireless
3965 Congress Street, Fairfield, Connecticut**

Dear Ms. Bachman:

On July 9, 2018, the Siting Council acknowledged Celco's request for modifications to the existing telecommunications facility at 3965 Congress Street in Fairfield, Connecticut. Celco has not yet completed the approved modifications at this site. Construction is expected to begin in the Fall of this year. In excess of caution, Celco now requests an extension of the Council's approval for an additional six (6) months, to January 9, 2020.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
