**RE:** Empire Telecom on behalf of AT&T Mobility Exempt Modification Filings.

Dear Mr. Cooper:

The Connecticut Siting Council (Council) is in receipt of several exempt modification filings from Empire Telecom on behalf of AT&T Mobility (AT&T), which were received on February 20, 2015, including the following sites:

- 405 Brushy Plain Road, Branford
- 39 West Street, Danbury
- 281 Wood House Road, Fairfield
- 75 Roberts Road, Groton
- 159 Weingart Road, Harwinton
- 54 Waterbury Road, Prospect
- 69 Wheeler Street, New Haven
- 123 Costello Road, Newington
- 125 Washington Avenue, North Haven
- 80 Shuttle Meadow Road, Southington
- 23 Wayne Road, Wallingford

Per Section 16-50j-73 of the Regulations of Connecticut State Agencies, exempt modification notices shall be provided to the municipality in which the facility is located, as well as the underlying property owner of record and the owner of the structure. For each of the sites listed above, there was no evidence of notice of the exempt modification filing to the underlying property owner. Council staff cannot move forward with review of these filings until proof is provided that the underlying property owner was notified of the exempt modification filing.

Additionally, several of these exempt modification filings require an updated structural analysis as other carriers have received approval for modifications to the facilities since the date of the structural analysis provided in the associated exempt modification filing. These filings include:

- 75 Roberts Road, Groton
- 281 Wood House Road, Fairfield
- 123 Costello Road, Newington
- 54 Waterbury Road, Prospect

Please provide the lacking information as soon as possible so Council staff may begin to process the above exempt modification filings.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
