Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 7, 2018, submitted on behalf of Verizon, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a second one-year extension of time until September 13, 2019, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
