Re: New Cingular Wireless PCS, LLC (AT&T)
Exempt Modification and Tower Share Conditions and Notification of Completion
3rd Quarter 2018 Status

Dear Executive Director Bachman:

This letter and enclosure are respectfully submitted on behalf of our client, New Cingular Wireless PCS, LLC ("AT&T") in response to your October 10, 2019 request for notification of completion of construction for the exempt modifications listed in the enclosed spreadsheet. A column was added to the spreadsheet you forwarded, and this column includes the status of each exempt modification listed as provided by AT&T's vendors. Kindly note that AT&T and its vendors advised that the exempt modifications that are construction complete were constructed in compliance with site-specific conditions.

As noted in the attached spreadsheet, construction has not yet commenced for two sites and construction is progress for eight sites.

Thank you for your consideration of this information.

Very truly yours,

Lucia Chiocchio
