Dear Attorney Bachman,

The following T-Mobile site was approved by the Connecticut Siting Council on April 14, 2015 respectively as an Exempt Modification. Due to a configuration change T-Mobile had to refile for this site. The new approval dated November 9, 2015 represented the work that was due to be constructed on this site. However due to the Landlord's request to work in conjunction with AT&T's proposed modifications we will have to refile gain at a future date. We are formally requesting the cancellation of the approvals for the following Exempt Modifications;
