Re: **DOCKET NO. 86** – Bell Atlantic Mobile Certificate of Environmental Compatibility and Public Need for telecommunications facility in Towns of Greenwich and Fairfield, Connecticut. (EM-BAM-057-990225)

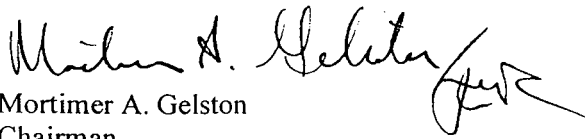

Dear Mr. Ciolfi:

At a meeting held March 9, 1999, the Connecticut Siting Council (Council) acknowledged your notice to modify this existing tower site located off North Street in Greenwich, Connecticut, filed pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

The proposed modification is to be implemented as specified in your notices dated February 23, 1999 and March 5, 1999. The modification is in compliance with the exception criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies as changes to an existing facility site that would not increase tower height, extend the boundaries of the tower site, increase noise levels at the tower site boundary by six decibels, and increase the total radio frequency electromagnetic radiation power density measured at the tower site boundary to or above the standard adopted by the State Department of Environmental Protection pursuant to General Statutes § 22a-162. Any additional change to this facility will require explicit notice to this agency pursuant to Regulations of Connecticut State Agencies Section 16-50j-73. Such notice shall include all relevant information regarding the proposed change with cumulative worst-case modeling of radio frequency exposure at the closest point uncontrolled access to the tower base, consistent with Federal Communications Commission, Office of Engineering and Technology, Bulletin 65. Any deviation from this format may result in the Council implementing enforcement proceedings pursuant to General Statutes § 16-50u including, without limitation, imposition of expenses resulting from such failure and of civil penalties in an amount not less than one thousand dollars per day for each day of construction or operation in material violation.

Please notify the Council when all work is complete.

Very truly yours,

Mortimer A. Gelston
Chairman
