Engineering Letter of Compliance

Engineer of Record: On Air Engineering, LLC
Structural Engineers: Paul J. Ford & Company; Maser Consulting

CSC Reference #: EM-VER-057-210723

Dear Andrew:

We are providing this letter of compliance with regard to the above referenced project. The following are the basis for substantiating compliance with this modification:

- Construction Drawings by On Air Engineering dated 03-04-21
- Structural Analysis Report by Paul J. Ford & Company dated 07-13-21
- Antenna Mount Analysis Report by Maser Consulting dated 03-11-21
- Mount Modification Drawings by Maser Consulting dated 03-11-21
- Site Visit/Engineering Inspection by On Air Engineering, 06-30-22

Verizon's facility modification is described in detail within the above referenced Construction Drawings as it pertains to Verizon antenna, RRH, OVP and cabling upgrades. The passing Antenna Mount Analysis was based on mount modifications being successfully completed, as per the Maser drawings.

The work under this contract has been reviewed and found, to the Engineer's best knowledge, information and belief, to be completed in general compliance with the referenced documents and in conformance with the building permit issued for this work. Please feel free to contact our office if you have any questions.

Very truly yours,
