RE: **EM-VER-057-240424** - Cellco Partnership dba Verizon Wireless notice of intent to modify an existing telecommunications facility located at 36 Ritch Avenue, Greenwich, Connecticut. **Decision – Denial.**

Dear Derek Maheux:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on April 24, 2024. Council staff reviewed this request for completeness and had identified a deficiency that was more fully described in a notice of incompleteness letter to the requesting entity dated May 23, 2024 and recommended that Verizon provide an RF Analysis including a rigorous cumulative far-field analysis for all entities located on the tower that accounts for a 6-foot tall person and the actual antenna pattern for the proposed modifications to the facility with a cumulative %MPE at or below 100, on or before June 24, 2024. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

Melanie Bachman
Executive Director
