Re: **EM-VER-057-160729 – Cellco Partnership d/b/a Verizon Wireless (“Cellco”)
36 Ritch Avenue, Greenwich, Connecticut**

Dear Ms. Bachman:

This letter will confirm our recent e-mail correspondence regarding the existing telecommunications facility at 36 Ritch Avenue in Greenwich, Connecticut and the above-referenced exempt modification filing made by Cellco on July 29, 2016. Contrary to the statement made in that filing, the existing tower at 36 Ritch Avenue is owned by Cellco. American Tower Corporation (“ATC”) manages this tower site for Cellco but does not own the structure nor does it hold the existing Docket No. 414 Certificate of Environmental Compatibility and Public Need. We have taken steps to see that this confusion is avoided in the future.

Thank you for your assistance and cooperation. If you have any additional questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
