Re: **EM-VER-057-220518 – Notice of Exempt Modification – Facility Modification
12 (a/k/a 9) Sound Shore Drive, Greenwich, Connecticut**

Dear Attorney Bachman:

On May 17, 2022, Cellco Partnership d/b/a Verizon Wireless (“Cellco”) filed a Notice with the Siting Council requesting acknowledgement for certain exempt modifications to its existing facility at the above referenced address. We were notified recently that Eversource has requested revisions to certain exhibits included in the Cellco filing. These exhibits are being revised and will be submitted to your office once they are completed.

Cellco, therefore, requests that the Council’s review of this filing be temporarily suspended and consents to an extension of the time period within which the Council must render a decision on the above-referenced filing.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
