Notice of Compliance with Conditions and Construction Completion

Dear Attorney Bachman:

The T-Mobile site referenced above was approved by The Connecticut Siting Council (Council) on November 15, 2021 as an Exempt Modification. T-Mobile is now requesting the close out of the approval and hereby acknowledges the following conditions were met:

1. Install a RF caution sign, if none currently exist, consistent with the Non- Ionizing Radiation Report prepared by Infinigy dated September 15, 2021;
2. Prior to T-Mobile's antenna installation, antenna mount modifications shall be installed in accordance with the Mount Analysis prepared by Kimley-Horn and Associates, Inc. dated August 23, 2021 and stamped and signed by Steven C. Ball;
3. Within 45 days following completion of equipment installation, T-Mobile shall provide documentation certified by a Professional Engineer that its installation complied with the recommendations of the Mount Analysis;
4. Any deviation from the proposed modification as specified in this notice and supporting materials submitted to the Council shall render this acknowledgement invalid;

Turnkey Wireless Development

5. Any material changes to this modification as proposed shall require the filing of a new notice with the Council;
6. The Council shall be notified in writing at least two weeks prior to the commencement of site construction activities;
7. Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed;
8. Any nonfunctioning antenna and associated antenna mounting equipment on this facility owned and operated by T-Mobile shall be removed within 60 days of the date the antenna ceased to function;
9. The validity of this action shall expire one year from the date of this letter; and
10. The applicant may file a request for an extension of time beyond the one year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The attached PE Closeout Letter dated March 9, 2022 provides evidence of compliance with the conditions outlined by the Council. In addition, T-Mobile hereby notifies the Council that construction of the acknowledged modifications was completed as of December 14, 2021.

Sincerely,

Victoria Masse

Monopole

Dear Patricia,

B+T Group is pleased to submit this “Construction Completion Letter” regarding the above mentioned Monopole.

We reviewed the photographs of the telecommunications equipment installed on the Monopole, taken on December 14, 2021. Based on the photographs provided, As Built by Sambuceta Construction, LLC dated December 13, 2021 and the construction drawings by B+T Group dated September 16, 2021, this telecommunications site has the following antennas and associated equipment installed in three sectors on the Monopole.

- (3) New Antennas
- (3) New Radios
- (3) New Mount Modification

The quantities and types of antennas and associated equipment from the photographs are in structural compliance, therefore, it is our opinion that the antennas and associated equipment were properly installed.

We at B+T Group appreciate the opportunity of providing our continuing professional services to you and Crown Castle. If you have any questions or need further assistance on this or any other projects, please give us a call.
