RE: **TS-T-MOBILE-059T-190228** – T-Mobile request for an order to approve tower sharing at an existing telecommunications facility located at 1662 Gold Star Highway, Groton, Connecticut.

Dear Ms. Pelletier:

The Connecticut Siting Council (Council) is in receipt of your letter dated January 20, 2021, submitted on behalf of T-Mobile, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby denies the request for an extension of time to modify the facility. Pursuant to Conditions 8 and 9 of the Council's decision letter dated March 29, 2019 for the exempt modification request, the Council's approval of the modification expired on March 29, 2020 and the applicant did not submit a request for an extension at least 60 days prior to the expiration.

Any modifications to this facility will require explicit notice to the Council pursuant to Regulations of Connecticut State Agencies Section 16-50j-73 and a filing fee.

Thank you for your attention to this matter.

Sincerely,

s/ Melanie A. Bachman

Good Morning Melanie,

On behalf of T-Mobile, SBA received Council's approval for Tower Share at 1662 Gold Star Highway, Groton, CT, on March 29, 2019 (attached for reference.)

A Building Permit was subsequently applied for, and received with expiration date of 11/28/19. T-Mobile has received an extension to their building permit and is queued for construction, however is realizing that extension from Council was not yet requested.

Could you please advise as to whether the carrier may proceed under the previous approval, with extension, or whether the materials for Tower Share will need to be re-filed.

Thank you,

Kri Pelletier
