RE: **TS-DISH-060-220801**– Dish Wireless LLC request for an order to approve tower sharing at an existing telecommunications facility located at 331 Killingworth Road (a/k/a Route 80), Guilford, Connecticut.

Dear Denise Sabo:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-90 of the Regulations of Connecticut State Agencies.

The tower share request, as proposed, would load the tower to a maximum of 104.7 percent of its capacity, which is above the 100 percent limit established by the Council under guidance from the Connecticut State Building Inspector. Please see attached Council memo on Acceptable Overstress for Communications Towers.

Thus, the proposed tower share request is not in compliance with the criteria in Section 16-50j-89 of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in dark ink, appearing to read "Melanie Bachman".

Melanie Bachman  
Executive Director

MAB/IN/emr
