Re: **EM-VER-061-200605 – Cellco Partnership d/b/a Verizon Wireless (“Cellco”)
330 Pokorny Road, Haddam, Connecticut**

Dear Ms. Bachman:

On June 29, 2020, the Siting Council acknowledged receipt of Cellco’s notice of intent to modify its existing telecommunications facility at 330 Pokorny Road in Haddam, Connecticut. Cellco’s modifications involved the replacement of antennas and installation of remote radio heads on the existing tower. Construction of these modifications is now complete.

As required by the Council’s EM-VER-061-200605 approval, attached is a Notice of Completion Certification from Hudson Design Group, LLC, dated April 27, 2021, verifying that all of Cellco’s facility modifications were completed in accordance with the May 21, 2020 Structural Analysis and May 6, 2019 Mount Analysis Report.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

RE: Notice of Completion Certification

Project: Higganum South CT
330 Pokorny Road
Haddam, CT 06441

Engineer: Daniel P. Hamm, P.E.
Hudson Design Group LLC
45 Beechwood Drive
North Andover, MA 01845

CSC Exempt Mod Reference No.: EM-VER-061-200605

Dear Mr. Parks,

HDG is providing this “Notice of Completion Certification” with regard to the wireless telecommunications facility installation at the above referenced project.

The following are the basis for submitting compliance with the Following:

- Final Structural Analysis dated May 21, 2020, prepared by Paul J. Ford and Company.
- Final Mount Analysis and Modifications dated May 6, 2019 (Rev.1), prepared by Hudson Design Group LLC.
- Final Design Exhibit dated April 15, 2020, prepared by Hudson Design Group LLC, entitled “Higganum South CT”.
- Field Observations by Hudson Design Group personnel on April 13, 2021 of the completed installation which was installed in general compliance with the aforementioned Documents.

The structural analysis prepared by Paul J. Ford and Company demonstrates the tower will not exceed 100 percent of the post construction structural rating. The work under this Contract has been reviewed and found, to the Engineer’s best knowledge, information and belief, to be completed in general compliance with the document(s) referenced above. This certification is not a review of the adequacy or effectiveness of the modification/reinforcement solution.

Respectfully Submitted,
Hudson Design Group LLC

Daniel P. Hamm, P.E.
