Re: **EM-VER-062-220615 – Cellco Partnership d/b/a Verizon Wireless Telecommunications Facility, 265 Benham Street, Hamden, Connecticut**

Completion of Construction

Dear Attorney Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced facility modification has been completed.

As required by the Council's approval, attached is a letter from Centek Engineering dated March 22, 2024, verifying that the facility modifications were completed in accordance with the January 24, 2022, Mount Analysis Report prepared by Maser Consulting. Photographs of the completed improvements are also attached.

Please note, we were only recently informed that construction of these modifications commenced on February 1, 2024. We apologize for not providing you with this information in advance.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
