Dear Ms. Bachman:

Please let this letter serve as formal notification to the Connecticut Siting Council that AT&T is not moving forward with the modifications described in the above-referenced notice, which was acknowledged by the Council on November 18, 2019.

Due to a change in the tower loading associated with this project, a new Exempt Modification will be filed this week, which will replace the aforementioned notice.

Please let me know if there are any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark Roberts", with a long horizontal line extending to the right.
