RE: **EM-T-MOBILE-062-220329** – T-Mobile notice of intent to modify an existing telecommunications facility located at 890 Evergreen Avenue, Hamden, Connecticut.
EM-T-MOBILE-088-220329 – T-Mobile notice of intent to modify an existing telecommunications facility located at 0 Clark Hill Road, Naugatuck, Connecticut.
EM-T-MOBILE-121-220329 – T-Mobile notice of intent to modify an existing telecommunications facility located at 27 Maynard Road, Salem, Connecticut.

Dear Mr. Bruen:

The Connecticut Siting Council (Council) received notices of intent to modify the above-referenced facilities on March 29, 2022.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

The Council is not able to process or accept these requests for exempt modification as the filing fee checks #29064-29066 were returned by the bank for stop payment. A copy of the documentation received from the bank is attached.

Therefore, the exempt modification requests are incomplete at this time. The Council recommends that valid filing fee checks in the amount of \$625 each totaling \$1,875 be submitted by April 18, 2022. If additional time is needed to submit the requested filing fees, please submit a written request for an extension of time prior to April 18, 2022.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
