Subject: 150 Willow Street - CT Siting Council Submission

Dear Mr. Kops: I inadvertently did not send a copy of a recent CT Siting Council submission for an exempt mod of a Sprint Installation on the Hamden Fish and Game Club, 150 Willow Drive to the Hamden P&Z. The Siting Council has approved an electronic submission of this document to you. Please find it attached. I apologize to you for this oversight.

Best,

Paul F. Sagristano
