RE: **TS-DISH-062-220727** - Dish Wireless, LLC request for an order to approve tower sharing at an existing telecommunications facility located at 1055 Wintergreen Avenue, Hamden, Connecticut.

Dear Denise Sabo:

The Connecticut Siting Council (Council) hereby denies your request to share the above-referenced existing telecommunications facility, pursuant to Section 16-50j-90 of the Regulations of Connecticut State Agencies.

This tower share request was submitted to the Council on July 27, 2022. Council staff reviewed this request for completeness and identified deficiencies that were more fully described in a notice of incompleteness letter to the requesting entity dated August 17, 2022 and recommended that DISH provide construction drawings and a structural analysis that are consistent, a radio frequency report that is consistent with the rest of the filing and proof of proper notice of this tower share request to the Chief Elected Official and underlying property owner, on or before September 16, 2022. On October 7, 2022, the Council granted an extension of time to submit the required documentation by October 14, 2022. To date the Council has not received the requested information.

Thus, the proposed tower share request is not in compliance with the criteria in Section 16-50j-89 of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

Melanie Bachman
Executive Director
