Request for Extension of Time

Dear Ms. Bachman:

Sprint Spectrum, L.P. (“Sprint”) respectfully requests a six-month extension of time to complete construction and submit post-modification inspection reports for the above referenced site. Sprint has been working diligently with the tower owner, the State of Connecticut, Division of State Police, to consummate an amendment to proceed with the equipment modifications as detailed in the Notice of Exempt Modification dated August 25, 2014. Currently, Sprint signed amendments are with the Commissioner of Department of Emergency Services and the Attorney General’s office for approval and signature.

Your consideration in this matter is appreciated. Please do not hesitate to let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read 'Eric Dahl', is written over a large, light gray, semi-transparent watermark that is slanted across the page.
