RE: EM-T-MOBILE-064-220829 441 Homestead Avenue, Hartford, Connecticut

Dear Council,

The purpose of this letter is to notify the Siting Council that the construction activity associated with the above-referenced T-Mobile telecommunications facilities has been completed.

The Council acknowledged the above referenced exempt modification request on September 26, 2022. T-Mobile hereby notifies the Council that construction of this modification is now complete. Photos of the modification have been included. A letter from a professional engineer has been attached as well.

If you have any questions or need any additional information regarding these facilities, please do not hesitate to contact me.

**Subject:** Closeout Letter  
**Site Address:** 439-455 Homestead Ave, Hartford, CT 06105  
**Site Number:** CT11161D  
**Elevated Number:** 23017-TRN

To Whom It May Concern:

Elevated Engineering, PLLC ("Elevated") conducted a site inspection on July 18, 2023 to determine installation compliance with the construction documents for the T-Mobile initiative for the above referenced site. Reference documents are as follows:

- Construction Drawings by Infingy dated 08/22/22.
- Structural Analysis Report by Morrison Hershfield dated 04/26/22.
- Mount Analysis Report by POD Group dated 04/19/22.

It was determined that the equipment was installed as intended on the construction documents. Therefore, based on the aforementioned, this site is in compliance with the drawings.

The conclusions reached in this evaluation are only applicable for the equipment described above. There is no qualification made or implied by this report for existing conditions not involved with the upgraded equipment.

If you have any questions or require additional information about this matter, please contact me at our Boonton NJ office at 862-242-8050.

Sincerely,
