RE: **EM-ATC-064-190807** – American Tower Corporation (ATC) notice of intent to modify an existing telecommunications facility located at 289 Mountain Street, Hartford, Connecticut.

Dear Ms. Gilbert:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

The requested modification, as proposed, would load the tower to a maximum of 124% of its capacity, which is above the 100% limit established by the Council under guidance from the Connecticut State Building Inspector.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies.

Sincerely,

Melanie Bachman
Executive Director
