RE: TS-DISH-067-221003 - DISH Wireless LLC request for an order to approve tower sharing at an existing telecommunications facility located at 289 Mountain Street, Hartford, 06106 (Dish ID BOBDL00153B)

Ms. Bachman:

Kindly allow this letter to serve as Dish Wireless L.L.C.'s formal and respectful request for an extension of the attached approval order for tower sharing at the existing telecommunications facility located at 289 Mountain Street, Hartford, 06106 (Dish ID BOBDL00153B).

We are in the process of acquiring new documentation certified by a Professional Engineer that its installation complied with the recommendations of the Mount Analysis as required by the approval letter issued to Dish by the CSC on February 10, 2022. The Same engineer of record has issues with the installation not related to the tower installation which we need addressed prior to their signing off on the site. These items mainly pertain to the power installation

Your time and consideration is greatly appreciated. Should you have any questions, please don't hesitate to contact me at your convenience.

Thank you.
