RE: **EM-VER-064-210929** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 305 West Service Road, Hartford, Connecticut.

Dear John Coleman:

The Connecticut Siting Council (Council) is in receipt of your letter dated November 8, 2022 submitted on behalf of Verizon, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby grants an extension of time until January 3, 2024 to submit a notice of completion of construction.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit a notice of completion or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

CDC – DL Siting Council,

Please accept this email as a formal request to extend the approval decision for Verizon Wireless' Exempt Modification at the subject site. Due to delays associated with supply chain/pandemic related issues prevented Verizon from moving forward with construction of this project. Verizon is prepared to proceed and complete this construction at their earliest convenience, but no later than 6/30/2023.
