RE: **EM-VER-064-151230** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 305 West Service Road, Hartford, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated January 13, 2017, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until January 25, 2018, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Acting Executive Director

Re: **EM-VER-064-151230 – 305 West Service Road, Hartford, Connecticut**

Dear Ms. Bachman:

The Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facilities at the above-referenced location. Due to delays in its antenna modification program and shifting budget priorities, Cellco has not yet completed the approved antenna modifications. We are, therefore, requesting an extension of one (1) year to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
