Subject: RE: T-Mobile Tower share amendments // 88011 aka CTNL194

Good morning, Alex.

Thank you for this information. Unfortunately, it was submitted late.

Please be advised that the requests for the tower share amendments must be voted on and approved by the Siting Council members during a regular meeting. At the last meeting, these amendments were tabled pending receipt of the requested information that was due on July 26, 2018.

Please also be advised that T-Mobile may not proceed with these amendments upon the Siting Council's *receipt of the information*. T-Mobile may only proceed if the Siting Council members vote to approve the amendments at a regular meeting. As of this date, the Council is not in receipt of the information for the other site and the information for this site was received late. Both requests for amendment are on the Siting Council meeting agenda for Thursday, August 2, 2018. The Council members may vote to remove these items from the table and take them up at that meeting, or the Council members may leave these items on the table and take them up at a later meeting.
